WHAT COMES NEXT?

For some leaders,
the next step isn't
more transactions.

*It's building
something **bigger**.*

LEADERSHIP ISN'T A TITLE. IT'S A DECISION.

The best leaders don't wait for permission. They choose to serve, to mentor, and to create opportunities for others to win.

LEADERSHIP IS NOT

- ✗ About recognition
- ✗ About having all the answers
- ✗ About being in charge
- ✗ About personal success

LEADERSHIP IS

- ✓ About lifting others
- ✓ About developing leaders
- ✓ About creating opportunities
- ✓ About building a legacy

THE DIFFERENCE BETWEEN SUCCESS AND IMPACT.

Success is what you build
for yourself. Impact is what
you help build for others.
One ends with you.
The other lives on
without you.

TEAM GOALS

- More Listings
- Better Systems
- Help More People
- Build Leaders
- Create Impact

SUCCESS IS

- ✓ What you build for yourself
- ✓ Measured by what you achieve
- ✓ Ends when you're done
- ✓ Leaves a legacy of self

IMPACT IS

- ✓ What you help build for others
- ✓ Measured by who you develop
- ✓ Lives on without you
- ✓ Leaves a legacy of leaders

THE MARKET BUILDER

**A DIFFERENT KIND OF LEADERSHIP.
A DIFFERENT KIND OF IMPACT.**

Market Builders don't just grow their own business.
They grow opportunities for everyone.

They build leaders. They build teams.
They build markets that last.

It's not about being the biggest.
It's about building what outlives you.

MARKET BUILDERS FOCUS ON:

PEOPLE

Developing leaders
who develop
others.

PLACE

Expanding
opportunity
in more
communities.

CULTURE

Building a culture
of service,
accountability,
and growth.

SYSTEMS

Creating systems
that multiply
success.

LEGACY

Leaving a legacy
that creates
opportunity for
years to come.

MARKET BUILDING IS A MINDSET.

Not a title. Not a position. A mission.

It's choosing to build something bigger than yourself—
and bringing others with you.

MARKET BUILDERS ARE:

- ✓ Visionary, not just busy.
- ✓ Connectors who bring people together.
- ✓ Long-term thinkers with short-term action.
- ✓ Builders of people, not just production.
- ✓ Committed to impact, not just income.

“
*The best leaders
create more leaders.
The greatest leaders
create movements.*
”

BUILDING SOMETHING BIGGER THAN YOURSELF

Great leaders develop people.
Market Builders develop markets.

When you multiply your leadership,
you create more than success—
you create lasting impact.

You're not just building a team.
You're building opportunity.
You're building communities.

**You're building a legacy that
extends far beyond you.**

“ The true measure of leadership
is not what you build for yourself,
*but what continues to grow
because of you.* ”

**YOU DON'T HAVE TO DO IT ALONE.
BUT SOMEONE HAS TO START.**

**THE QUESTION IS:
WILL IT BE YOU?**

THE FUTURE IS BEING BUILT TODAY

Every great company started as an idea.

A handful of people. A vision.
A belief that something better could be built.

No one knew how large it would become.
No one could see the full opportunity ahead.
They simply saw a *future worth building*.

“ The greatest opportunities
rarely arrive fully built.
*They are created by the
people willing to build them.*

EVERY GREAT COMPANY GOES THROUGH STAGES OF GROWTH.

1 ONE MARKET

A simple beginning.
A local impact.

2 SEVERAL STATES

Momentum builds.
The vision spreads.

3 NATIONAL PRESENCE

More markets.
More people.
More impact.

4 INDUSTRY INFLUENCE

A legacy that
changes the industry.

TODAY, ADT REALTY IS STILL WRITING ITS STORY.

The foundation is set.
The opportunity is wide open.
The next chapter is unwritten.

THE QUESTION IS:
**WHO WILL HELP WRITE
THE NEXT CHAPTER?**

WHO THRIVES IN OPPORTUNITIES LIKE THIS?

Not everyone is called to build.
But those who are tend to share common traits.

BUILDERS TEND TO...

- ✓ See success for a higher purpose else.
- ✓ Think long-term.
- ✓ Enjoy helping others succeed.
- ✓ Embrace responsibility.
- ✓ Believe in team over self.
- ✓ Focus on legacy over recognition.

BUILDERS ARE OFTEN...
